

10th April, 2017

Dear all Stake holders,

I am happy to inform you that the National Assessment and Accreditation (NAAC) is in the process of Revision of the Assessment methodology. In this respect a Quality Indicator Framework (QIF) has been designed for three different categories of Higher Education Institutions (HEI's). The details are available at the link provided below. The same is being piloted in a few institutions and stake holders feedback are also being solicited. You may try it out individually and at your institution level.

I personally invite your feedback in this important process and believe that your feedback will contribute in making the Accreditation process more robust and stake holder friendly. While responding to this request, you may provide the complete information about your institution and e-mail us the feedback on qif.naacindia@gmail.com before 20th April 2017.

[QIF for Autonomous Colleges](#)

[QIF for Affiliated-Constituent colleges](#)

I look forward for your valuable feedback and continued association with NAAC.

With regards,

Yours sincerely,
