

**Report on the event Administration Acumen and Academic Excellence
on Best Bractice Series hosted by NAAC**

In the series of best practices seminar hosted by NAAC bangalore, **S. S. Jain Subodh P. G. (Autonomous) College, Jaipur** presented their academic best practices as webinar on **Administration Acumen and Academic Excellence** on 6th November 3.00 pm.

Dr. Devender Kawdey, Deputy Adviser of NAAC welcomed the gathering and briefed in the earnest efforts of NAAC in bringing the best practices presentations of pioneer insiuttions for the larger benefits of all the Higher Education Insiuttions. Dr. Sujatha Shanbhagh, Adviser of NAAC also elicited on the role of best practices for attaining and maintainig quality in Higher Education.

Dr. Pratibha Singh, Deputy Adviser of NAAC introduced the panalist from the institutions including the Principal of **S. S. Jain Subodh P. G. (Autonomous) College**.

Dr. K.B. Sharma, principal of S.S. Jain Subodh P.G. College presented the instution's best practices. Dr. Sharma explained about the history of institution and informed that it was established in 1954. This insitution is also recognised as model institution by the Government of Rajasthan. Three case studies on best practices of their insituion were presented. The first best practice potrayed was on Adminstrative practice which they were following. Dr. K.B Sharma explained about the affordable fee structure and different fiscal schemes available for the student as scholarships. The emphasis given to competetion exam preparation and sports were well presented. Several staff welfare schemes provided by the insituion also was briefed. Few research motivations provided to the staff were also prented during the seminar.

The second case study was on the Leadership Development with ethical values. He explained how spirit of leadership, integrity, deep sense of social justice among their

students and community are integrated in the academics. He also emphasised how important is this in developing the competencies of students with rural background. The establishment of 'Thought Lab' promoting values, spiritual practices and mediation for bringing positive change in the personality of students as well as the faculty was also explained in the presentation.

The third case study was on the state-of-art infrastructure facility. Dr. K. B. Sharma explained various funding schemes like DBT-FIST through which the insituion raised funds for infrastructure augumentation. He also explained the effort put forth by the insituion in maintaing and providing state-of-art lab instruments required for teaching, learning and reasech exercises. He also showcased their efforts in maintaining basic infrastructure facilties such as sports, gynasium, stadium etc.

The presentation was followed by breif interaction along with addressing queries of the participants. The event ended with note of thanks expressed by Dr. Priya Narayanan, Assitant Adviser of NAAC. Few snapshots of the event during the webcast is placed as glimpses below. About five hundred participants joined the program live in webex platform. The event was webcasted live in YouTube and can be accesed through the link https://www.youtube.com/watch?v=6zd_MFYUe0Q.
