

29th September 2020

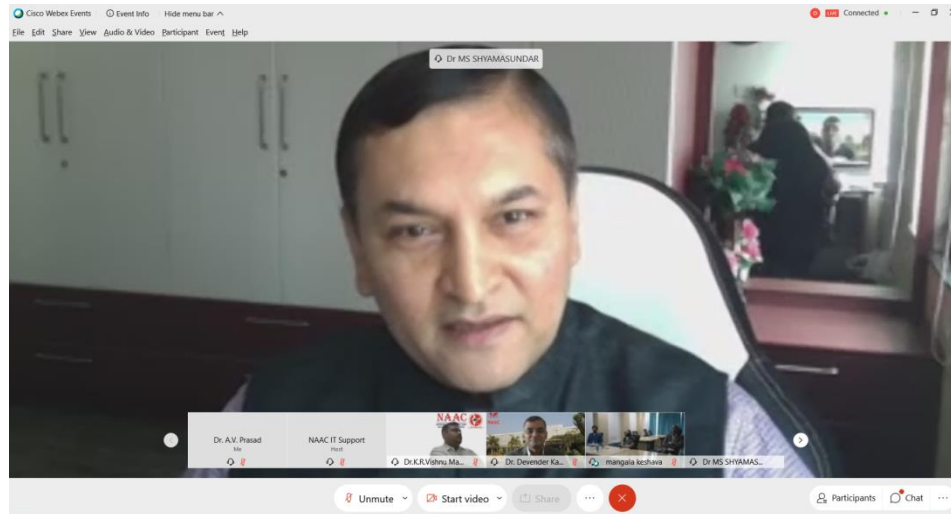

BRIEF REPORT ON PROMOTING ACADEMIC EXCELLENCE THROUGH ENRICHED KNOWLEDGE AND INDUSTRIAL EXPOSURE

A webinar on Best Practices themed “Promoting Academic Excellence Through Enriched Knowledge and Industrial Exposure”, jointly organized by National Assessment and Accreditation Council (NAAC) and association with B. M. S. College of Engineering, Bengaluru, Karnataka was held on 29th September 2020, through video conferencing using Cisco Meet platform. The Webinar was organized with the aim of taking initiatives to reach out to Higher Education Institutions (HEIs) for quality improvements and quality sustenance and to propagate knowledge on latest procedures involved in Best Practices process.

More than 132 participants comprising a blend of academicians, professors, principals, IQAC Coordinators from various institutions across the country attended the webinar. The webinar started at 11.00 am with the Welcome Address delivered by Dr. Devender Kawday, Deputy Adviser, NAAC.

Further Dr. M.S. Shyamsundar, Adviser, NAAC elaborated on the thematic content on the webinar.

Dr. K. R. Vishnu Mahesh, Assistant Adviser, NAAC introduced the panelists of the webinar, Dr. B. V. Ravishankar, Principal, Dr. S. Muralidhara, Vice-Principal, Dr. Samita Maitra, Dean Academic, Dr. H. S. Guruprasad, Dean, Student Affairs, Dr. S. Jayanthi, Dean, First Year, Dr. Mangala Keshava, Director, IQAC from B.M.S. College of Engineering, Bengaluru, Karnataka.

Initially, Dr. B. V. Ravishankar, Principal, B.M.S. College of Engineering, Bengaluru, Karnataka, gave an overview of the presentation and gave a brief introduction to the college.

Best Practice - II National Level Technical symposium – Phase Shift

The two days technical symposium 'Phase Shift' organised every year is to commemorate India's great Engineer's Birthday, aims at bringing different disciplines of Engineering together on a common platform and give the stakeholders an opportunity to exhibit their technical skills. The incremental improvement brought into the technical expertise of the student community with proper handholding from academic fraternity and Industry collaborations can help in developing inquisitive, a better scientific temper among young minds. This enables them to apply both their knowledge and the relevant skills to produce masterpieces well beyond our time.

Phase Shift is an annual technical symposium conducted by B.M.S College of Engineering, from 2014 which has seen its earlier five episodes and helped in improving engineering application capability, innovation capacity, cooperation spirit, self-management ability and communication skills. The symposium has also been a medium for effective industry interaction in which the industries collaborated with BMSCE will showcase technical expertise and products exhibits. Over the span of two days, students will witness a competitive and collaborative atmosphere of technical competitions, hands-on training, and workshops based on trending technology, talks by eminent professors and seminars by industry professionals/experts. A symposium of this scale is organized entirely by a dedicated student body under the able guidance of faculty.
