

**Report on the event Administration Acumen and Academic Excellence  
on Best Practice Series hosted by NAAC**

As part of the seminar series on best practices hosted by NAAC Bengaluru, **S. S. Jain Subodh P. G. (Autonomous) College, Jaipur** presented their academic best practices as a webinar on **Administration Acumen and Academic Excellence** on 6<sup>th</sup> November, 2020 at 3.00 pm.

Dr. Devender Kawdey, Deputy Adviser of NAAC welcomed the gathering and briefed the earnest efforts of NAAC in bringing the best practices of pioneer institutions for the larger benefits of all the Higher Education Institutions. Dr. Sujatha Shanbhagh, Adviser of NAAC also elucidated the role of best practices for attaining and maintaining quality in Higher Education.

Dr. Pratibha Singh, Deputy Adviser of NAAC introduced the panelists from the institutions including the Principal of **S. S. Jain Subodh P. G. (Autonomous) College**.

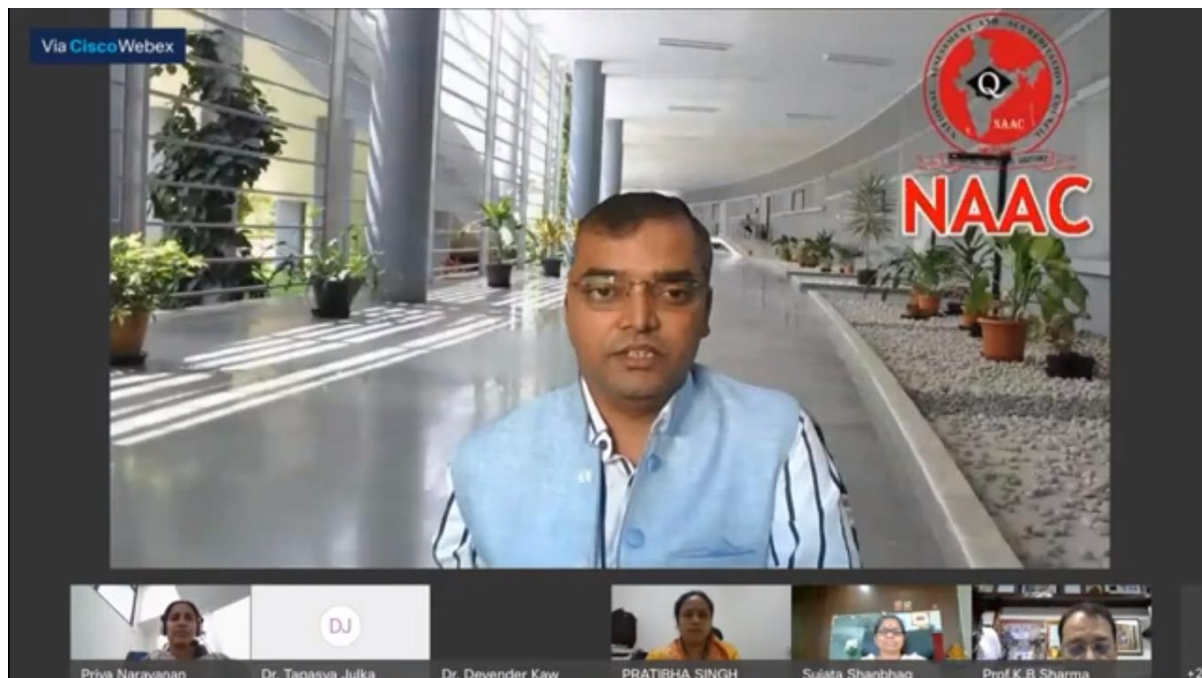

Dr. K.B. Sharma, principal of S.S. Jain Subodh P.G. College presented the institution's best practices. Dr. Sharma gave a brief on the history of the institution that was established in 1954. This institution is also recognised as a model institution by the Government of Rajasthan. Three case studies on best practices of the institution were presented. The first best practice was on Administrative practice, which the institute is following. Dr. K.B Sharma talked about the affordable fee structure and different fiscal schemes available for students as scholarships. The importance given to preparation for competitive exams and sports were well presented. Several staff welfare schemes provided by the institution were also highlighted. Motivational schemes for promoting Research among the staff were also presented during the seminar.

The second case study was on Leadership Development with ethical values. He explained how the spirit of leadership, integrity, deep sense of social justice among students and community are integrated within the academic framework and emphasised its importance for developing the competencies of students from rural

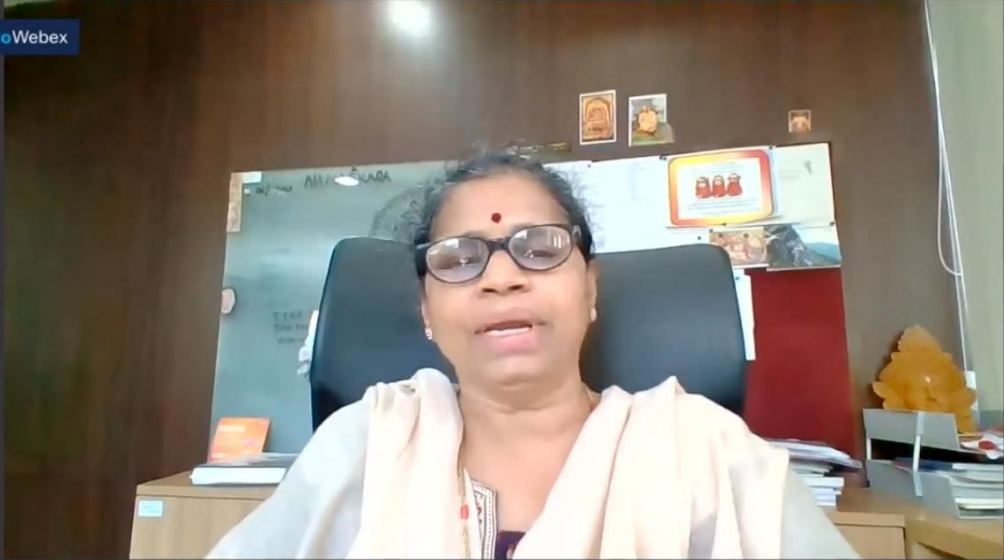

background. The establishment of '**Thought Lab**' promoting values, spiritual practices and mediation for bringing positive change in the personality of students as well as the faculty was also explained in the presentation.

The third case study was on the state-of-art infrastructure facility. Dr. K. B. Sharma explained that the insituion raises funds through various funding schemes such as DBT-FIST, for infrastructure augmentation. He also explained the effort put forth by the insituion in maintaing and providing state-of-art lab instruments required for teaching, learning and reasech exercises. He also showcased their efforts in maintaining basic infrastructure facilties such as sports, gymnasium, stadium etc.

The presentation was followed by a breif interaction along with addressing queries of participants. The event ended with a note of thanks expressed by Dr. Priya Narayanan, Assitant Adviser of NAAC. A few snapshots of the event during the webcast are placed below. About five hundred participants joined the program live on Webex platform. The event was webcast live on YouTube and can be accesed at [https://www.youtube.com/watch?v=6zd\\_MFYUe0Q](https://www.youtube.com/watch?v=6zd_MFYUe0Q).
