About the Institution

Mahatma Gandhi Vidyamandir is one of the premier educational institutes in Maharashtra. Late Karmaveer Bhausaheb Hiray, a visionary educationist and a social reformer with an acute sense of social justice envisioned education as a means of social upliftment. Subsequently, he established the renowned educational institute Mahatma Gandhi Vidyamandir in 1952 at Malegaon. The institute has spread its roots in diverse fields of education and has been instrumental in catering to the needs of the masses for primary, higher, technical, management, and medical education with 240 units engaged in this noble path.

About the College

Arts, Science and Commerce College, Manmad was founded by Loknete Vyankatraoji Hiray in 1969 with the vision to provide the students of Manmad and nearby rural regions the opportunity to pursue higher education at their doorstep. The college runs different courses under Arts, Science, and Commerce stream as a part of traditional education. However, the college is building a strong bond between traditional education and skill-based education. It has recently started skill-based courses; Software Development and System Administration, Electronic Instruments Maintenance and Food Processing, Medical Lab and Molecular Diagnostic Technology, and Banking and Financial Services under B.Voc. and Community college respectively. The college has recently got associated with NPTEL/Swayam as a local chapter that offers online courses conducted by reputed IITs of the nation.

The Webinar Series

Amidst the global pandemic of the COVID 19, everything has come to a standstill. It has posed a challenge before all of us. The regular teaching and learning situation has also been affected severely. However, it can not limit our efforts to move ahead. This compelled us to search for novice ways and ideas to shape the new normal. Consequently, the management and the principal thought over reaching to the students and teachers and created a platform to share ideas. The webinar series is a brainchild of our beloved principal, Dr. B.S. Jagdale. He thought and led us all to materialize the idea of this webinar series. The premier objective in mind was to search for opportunities and options to stay connected and also have sharing of ideas and thoughts over the nature, scope, and possibilities of teaching-learning, and research. The series was available free of cost for all to reach the maximum people in the academia stranded at home.

The webinar series was held for five days from **07/07/2020 to 11/07/2020**. It witnessed eight distinguished guest speakers dealing with different criteria of NAAC and e-content development in general and the new normal nature of education in particular. The event registered **539** participants across the nation and abroad. On average **380** participants could attend the online sessions conducted through the ZOOM platform. The participants were principals, IQAC coordinators, NAAC Coordinators, Faculty, etc. The feedback comments of the participants have been overwhelming. This highly motivated us to put extra efforts towards our goal of quality education.
